

QUESTIONNAIRE

(MANDATORY FOR EACH COMPONENT OF THE PROJECT)

The undersigned guarantees the truth and accuracy of all statements and answers contained herein. (Include additional sheets if necessary)

How long have you been in business as a General Contractor, Sub Contractor?

28 years

How many years of experience do you have in general construction or industrial demolition?

28 years

Within the past five years, how many industrial demolition projects have you preformed? What was the extent of the scope of work? Did any involve concrete foundation removal & disposal?

OSE has performed several industrial demolition projects involving tanks, gas service stations, warehouse buildings, industrial-commercial buildings, pharmaceutical buildings, etc.

Scope of work was demolition and decontamination of concrete prior to disposal. Most of them involve foundation removal and disposal.

Do you have any experience installing fire protection systems? If so, please describe.

No, we are not bidding the Fire House Construction project.

Have you ever failed to complete work per contract specification or within the time limits of a contract awarded to you? If so, where and why?

No.

Project Cost: \$ 450,000.00

Have you personally inspected the site(s) of the proposed work? Describe any anticipated problems with the site and your proposed solutions. How will you handle disposal?

Yes, I have inspected the site of the propose work and I don't anticipate problems with the site. We will handle disposal as per Specification SECTION 02303 WASTE MATERIAL DISPOSAL from the Contract Documents.

OSE will comply with all applicable Federal and local laws and regulations concerning waste material disposal. OSE will segregate oil-impacted (if any) from non-oil-impacted soil or concrete demolition waste and will characterize it prior disposal. Depending on the characterization results, waste ill be classified non-hazardous or hazardous waste for disposal as per Federal and Local Regulations. Tank steel material removed/demolished will recycled after characterization.

Will you sublet any part of this work? If so, give details.

No, we will no sublet any part of this work.

Is the business a: Sole-Proprietorship, Partnership, Corporation? (circle one)
