P.O. Box 5997
Christiansted, St. Croix
U.S. Virgin Islands 00823
(340) 773-2250

Subject: **Service Proposal**

We **Kami Metals, LLC.**, with full corporate responsibility declare through this proposal we are ready, willing and able to start the removal and disposal of all non hazardous and hazardous chemicals listed below on Exhibit A. The mentioned items are located at Saint Thomas U.S. Virgin Islands Water And Power Authority (WAPA) power plant as per previous conversations and mutual agreement as follows:

Scope of the Project:

Removal and disposal of all non hazardous and hazardous chemicals listed below on Exhibit A located at the Saint Thomas WAPA plant.

Timeframe of the Project:

Per mutual agreement and consent (TBA)

Job Description:

1. All non hazardous and hazardous chemicals will be packaged for safe transport. All non hazardous and hazardous chemicals will be transferred into 55 gallon barrels. All 55 gallon barrels will be put inside 95 gallon overpack drums for safe transport.
2. All non hazardous and hazardous chemicals will be shipped to US mainland to an approved EPA disposal facility.
3. All non hazardous and hazardous chemicals will be disposed in accordance with local and federal laws.

kamimetals@gmail.com

Responsibilities of Kami Metals, LLC.:

1. Pump all mentioned non hazardous and hazardous chemicals into 55 gallon barrels. Place all 55 gallon barrels into 95 gallon overpack for safe transport. Provide all trucking and ocean transportation for safe removal and disposal to an approved EPA facility.
2. Get all the necessary permits and insurance for transport of non hazardous and hazardous chemicals .
3. Provide bill of ladings for shipping containers that were used to transport non hazardous and hazardous chemicals off Island to an EPA approved disposal facility to WAPA.
4. Disposal of non hazardous and hazardous chemicals listed below on Exhibit A will be preformed to meet local and Federal regulations.

WAPA responsibilities:

1. WAPA provides a letter stating contents of non hazardous and hazardous chemicals on Exhibit A are correctly stated.

Payment:

1. Kami Metals LLC., and WAPA will share the charges of complex logistics for the disposal of non hazardous and hazardous chemicals listed below on Exhibit A.
2. Kami Metals, LLC., agrees to receive US 195,000 dollars from WAPA for removal and disposal of non hazardous and hazardous chemicals listed below on Exhibit A.. A detailed break down of US 195,000 dollars is as follows: US 25,000 dollars will be used for pumping non hazardous and hazardous chemicals listed below on Exhibit A to 55 gallon drums. All 55 gallon drums will be put inside 95 gallon overpacks. US 95,000 dollars will be used to buy packaging material. Also, this money will be used to pay for loading of 55 gallon barrels to 95 gallon overpacks and to load shipping containers. US 30,000 will be used for trucking, shipping and pay for customs fees. US 45,000 will be used for disposal costs for non hazardous and hazardous chemicals listed below on Exhibit A.

Kami Metals LLC will need a fifty percent deposit before we proceed.

3. Kami Metals, LLC., will present bill of ladings to WAPA and payment will be made to Kami Metals, LLC., bank account.

Warranties:

1. Kami Metals, LLC., guarantees the removal of the aforementioned materials from WAPA in accordance with the stipulated time frame and scope of the project and/or per mutual agreement in compliance with both, State and Federal Laws.

We are willing to enter into any agreement proposed and ratified by both parties in accordance with the terms conditions of a contract, including the scope of the project, time frame, logistics, deal structure, payment terms and any other necessary conditions to make this project a reality between both parties.

Feel free to make any recommendations that you understand will be pertinent in order to make this deal done in the most efficient way and beneficial for both parties.

We are pleased to inform you that we are officially ready to perform. We hope we can do this and future projects together.

This proposal is valid and open subject to further discussion and negotiations.

Sincerely,

Santosh Walker
President
Kami Metals, LLC.
